Dear Sir/Madam,

Grammar School Admission Examination 1961

Your son (daughter) John Fairclough.
qualified in the above-named examination for Grammar School education.

As, however, you had already indicated your intention of not accepting a place in a County Grammar School on behalf of your child, no place has been allocated. His (her) name appears in the official list of successful candidates.

You are advised to retain this letter for future use as evidence that your child has qualified for Grammar School education.

Yours faithfully,

G.H. METCALFE.
